

IN-SHOP / ON-SITE – TEKWELL HAS THE EXPERTS AND EQUIPMENT YOU NEED

Tekwell offers full service and repair for industrial motors, drives, and pumps. From fractional horsepower to medium voltage, we have the skills and equipment needed to repair, test, and install machinery while ensuring peak efficiency and reliability. We don't take shortcuts. We test and re-test and test again. We aren't satisfied until you are.

Our field service technicians are highly qualified and have extensive knowledge of VFDs, PLCs, vibration testing, thermography, and alignment. Many of our technicians have been with us for 20+ years. Our service technicians are on call 24/7/365.
